

## Advertise On Lake District Campsites

With over 2000 visitors to our site every month can you afford not to place an advert on our website. If your business is related to the Lake District in any way then you have the opportunity to place a banner advertisement on our website.

For only £50 a month your banner will rotate at the top of every page on our site. We will provide you with full stats at the end of the month telling you how many times your banner has been clicked on, and how many times it has been shown to visitors.

To have your banner displayed at the top right of the website where the corner folds then this ad spot is static and will be your sole advertising placement for the full month. The cost for this banner ad placement is £65.00 per month.

No Banner?

If you do not have a banner then we will be happy to pass your details on to Web Design Studio that have agreed to create advertising banners for our advertisers at a very good rate of just £25.

If you have any questions or would like to find out more information about advertising on this site then please feel free to email us using the contact form on this site.
